Has a Land Boom Too-Germany Sur-Humming Birds' Tongues for Dr. Ellot Is Borne Hither From Texas.

Antonio, Tex., arrived yesterday at the Imperial, and said that the coming of Imperial, and said that the coming of evening. April 19, at Mendelssonn Hau, the troops had not only let loose a lot the paintings only being sold at the hall. of money in the town but that many of

"I lived in Mexico for sixteen years." said Mr. Benson, "and lots of friends of mine come to see me when they pass through San Antonio. They tell me that all sorts of robberies are going on in the country where the insurgents are. the insurrection has bred hundreds of bands of marauders who have been going about pillaging. Some friends of mine have been robbed as many as seven times since the insurrection began. Before this panditti had been stamped out in Mexico.

"In San Antonio we have been very proud of the fact that among our 100,000 people we raised half a million dollars to pay for the right of way of a new rail-road to Brownsville, which will open an immensely rich country. We have two immensely rich country. We have two fine million dollar hotels in the town now. and this has been a tremendous tourist season. Now we are getting ready to put in an up to date bathhouse to develop the hot sulphur springs for which the town nas been famous To give an idea how real estate has gone

To give an idea how real estate has gone up I may mention that a piece of property in the Alamo plaza which was offered five years ago for \$600 a front foot sold the other day for \$2,400 a foot, and this is by no means a top price. A land company has put under irrigation a lot of land near the town which in acre plots is selling at from \$400 to \$600."

woman who was trying to sleep.

and wondered what he'd do. Finally he sent a polite request to the foreman of the gang to do the work a little more quietly, and prepared for the receipt of an answer telling him to go to the furnace room and mind his own business.

To his surprise the messenger came back to say the foreman was sorry that anybody in the hotel was being a little with the say the foreman was sorry that anybody in the hotel was being a little was the say the foreman was sorry that anybody in the hotel was being a little was the say the foreman was sorry that anybody in the hotel was being the say the sa

to say the foreman was sorry that anybody in the hotel was being disturbed and he would stop the work until morning. Sure enough, he did. The clerk said this beat anything in his experience of twenty years in New York hotels.

ager of a New York hotel was surprised by a request from San Antonio, Tex., for him to send down there all the humming birds' tongues he could buy in the market. He realized that somebody was the victim of a practical joke, but not until yesterday did he get the details, when the man responsible turned up in New York. The joker gave this explana-

"The manager of one of the hotels down there is an Englishman. As President Charles W. Eliot of Harvard was about to visit the town preparations were made came to me and asked me to suggest some

at his request dictated a request to a friend down there to get as many humming birds' tongues as he could and send them on. The Englishman's idea at first was to cook them and have them on the table as a sort of centrepiece, with

on the table as a sort of centrepiece, with each guest to be allowed a taste, but he changed his mind and decided to serve them at each plate. That's why I got him to telegraph to the hotel manager here.

"Well, sir, I must have got as many as 1,000 letters from members of the Audubon Society protesting against the wholesale slaughter of the birds, and some letters came from abroad. So there were other persons besides the Englishman who did not see the joke. He has not yet caught on."

SHUBERTS GET OPERA HOUSE.

Independents to Play at the Manhattan Under Ten Year Lease. The Messrs, Shubert leased the Man-

hattan Opera House from Oscar Hammerstein yesterday for ten years. They will use it as a regular theatre for their plays and those of their allies. Instead of offering these attractions

for one week each, however, as has been the recent policy, the engagements of each Broadway success will be varied from bree to four weeks and the playhouse will be operated on the same principle as that in force for many seasons at the Academy of Music.

Academy of Music.
E. H. Sothern and Julia Marlowe will play their annual New York engagement at the Manhattan Opera House, just as they formerly played at the Academy of Music, for a season of about eight weeks.

from \$400 to \$600."

"French cooking is spreading throughout Germany," said a traveller from the Fatherland who makes frequent visits to this country. "You will find it now not only in hotels but in many private houses. Personally I don't think I could now subsist on the old style German cooking." There is one part of the country that resists the French culinary idea, and that so far as the dealer was aware the converse houses. Personally I don't think I could now subsist on the old style German cooking. "There is one part of the country that resists the French culinary idea, and that is Bavaria. In Munich they insist upon clinging to heavy food, and a visit to Eavaria by a travelled German from any other State is fraught with dangers of indigestion and dyspepsia.

Outside the Wolcott night before last a regular anvil chorus was being produced by men tearing up bits of the street to repair the asphalt. The noise of picks and sledges penetrated upsrairs in the hotel and got on the nerves of a woman who was trying to sleep.

She went to the telephone and told of the street to the telephone and told of the telephone

Among the art objects are many pieces of Chinese blue and white, snuff bottles of porcelain and jade, a number of single color and decorated Chinese porcelains, She went to the telephone and told the clerk to tell those men outside to stop that noise. The clerk replied "Yes'm," and wondered what he'd do. Finally he sent a polite request to the foreman of the sent a polite request to the foreman of the sent a polite request to the foreman of the sent a polite request to the foreman of the sent a polite request to the foreman of the sent and some brilliant contains the sent and some brilliant contains and seventeenth centuries and some brilliant specimens of the Hispano-Mauresque lustre. The books, which take up about lustre. The books, which take up about 250 of the catalogue lots, are miscellaneous publications and standard works for the most part.

give him the very finest banquet that longer. On Saturday the Astor Library buld be put together. The manager will close to the public. On the following came to me and asked me to suggest some rare dish that would be sensational. I suggested humming birds' tongues.

"By Gawge, that's just the ideah,' he said, 'but I say, old chap, where shall I get them?' I told him they were plentiful in the neighborhood of Tampico and at his request dictated a request to a friend down there to get as many hum.

"The books are of course classified by a letter or by two letters to indicate their

"The books are of course classified by a letter or by two letters to indicate their subject. When they are carried to the library they will be sent up to the stack and deposited at the shelves bearing the same letters. After that they have to be arranged in alphabetical order, so it may be that for a short time it will be necessary for readers in the new library to wait five minutes for a book."

The books are to be packed in boxes usually not larger than one man can carry.

usually not larger than one man can carry. usually not larger than one man can carry. Director Billings expects to be able to move 20,000 a day, although the rate depends on the weather. Wet days are not suited to the work. The 150,000 volumes of the Lenox Library were moved down to Bryant Park in thirty days, ended last Tuesday night.

"The public will have to use our forty branches while we're moving," said Mr. Billings. "It will not be possible to study."

branches while we're moving," said Mr. Billings. "It will not be possible to study certain special subjects at that time except in the private and college libraries. But I am making an effort to keep people out of the library as short a time as possible."

Dinner to Senator O'Gorman.

Senator James A. O'Gorman has ac cepted an invitation to dine with the Naional Democratic Club on Tuesday, May 2. The club has appointed a committee to arrange for the dinner. This consists of Roger Foster, chairman: Senator John Fox, Stephen Farrelly of the American News Company, Assistant Corporation Counsel Louis H. Hahlo and John M. Shaw of the New York Stock Exchange. Gov. Woodrow Wilson has promised to speak. It is expected that other Democratic Governors, Senators and statesmen will do likewise. Senator O'Gorman has accepted two other invitations to private dinners, one to be given by the Manhattan Club and the other by the Judges.

New Catholic Directory.

The Catholic Directory for 1911, just issued, gives the Catholic population of the country as 14,618,761. There are 1,.084 priests and 13,461 churches, according to this latest official list. The di-rectory, which has up till now been issued by the M. H. Wiltzin Company of Milwaukee, will hereafter be published by P. J. Kennedy & Sons of this city. The first Catholic directory was issued in 1891

s Corporal of the Guard When Surrender Was Demanded and Took Part in Firing Salute to Fing at Close of Siege-Celebrates the Anniversary.

Francis J. Oakes of 23 Ash street. Flushing, the head of the Oakes Manufacturing Company of Long Island City and one of the garrison of Fort Sumter The catalogue lists sixty-nine paintings yesterday celebrated at his home the anniversary of the defence of that fort.

Mr. Oakes showed his friends the medal all upstairs, Gallery A being occupied presented nearly fifty years ago by the Chamber of Commerce of New York to the men who marched out of Fort inscribed there as a corporal in Company

On the night of April 10, 1862, Mr. Oakes was corporal of the guard. As such he was party came to demand the surrender of the fort these men were placed in the quarters toward the spectator, and others guard house under the charge of Mr in his manner. Quarters toward the spectator, and others guard house under the charge of Mr in his manner. the proposition with his officers.

"Of course, I did not know the men portrait or figure composition entitled, who were under my charge," said Mr. with every apparent reason, "A Picture Oakes yesterday, but after Major Anderson had told them his final answer I of Health." the picture of a young woman looking with bright blue eyes toward the spectator, her wavy and tangled light hair blown aside by a light breeze toward a blue sky and her waist enwrapped in a white cloak. When it was purchased by Mr. Harper in 1897 the dealer who sold it to him informed him that the painting had been for many years in the home of Hamilton W. Day of London, a great admirer of Cosways miniature work, and that so far as the dealer was aware the canvas had never been exhibited.

Other paintings in the catalogue include of the men say, 'That means that we will open fire,' to which Major Anderson replied, 'Very well, sir.' This incident was followed by the departure of the rebels and the hour was about midnight. As corporal of the guard it was my duty to relieve the guards stationed on the ramparts, and I was engaged in that duty at that hour when I saw the first shot that was fired from Fort Johnon the ramparts, and I was engaged in -

We made the cartridges to fire that "We made the cartridges to fire that salute by using the flannel underclothing of the men," said Mr. Oakes. "These cartridges were placed behind temporary bombproofs in the ramparts. We had to fire from the top or third embrasure because at the time the harbor was filled with the boats of excursionists from Charleston and we were afraid of injuring them. As a result of the fire that had been directed at the fort the guns which we were firing could not have their muzzles pushed through the embrasures, but were just inside. The powder from the

sembly hall of the American Museum of Natural History yesterday. More like the Bohemia' there used to be. In than 1,000 persons viewed it. There were about fifty varieties of orchids grown days. The only person I know who by C. G. Roebling of Trenton, whose collection includes one particularly fine specimen of a white orchid.

Other flowers and plants displayed were lilies, tulips, narcissus, azalease, hydrangeas, hyacinths and lilacs. Cut flowers were shown in vases.

Among the exhibitors were Mrs. A. M. Booth of Great Neck, L. I.; John Lewis Childs of Floral Park, N. Y.; Mrs. F. A.
Constable of Mamaroneck, N. Y., and
H. Darlington. At the regular meeting
of the society Dr. E. B. Southwick gave
an illustrated lecture on "Hyacinths;
Their History, Cultivation and Present
Day Types."

The exhibit was arranged by a committee of which F. R. Pierson was chairman and George V. Nash secretary.

TO EXAMINE ERLANGER

In Brady's Suit as Partner in Chicago

Auditorium Enterprise.

Supreme Court Justice Blanchard delined vesterday to vacate an order for

william A. Brady for an accounting of an alleged partnership in the lease of the Chicago Auditorium in 1997. The court, however, limited the scope of the examination.

Brady alleges that he contributed \$10,000 toward the partnership, which was to produce vaudeville in the Auditorium, and that later Mr. Erlanger action and that later Mr. Erlanger action in selections from "Natoma." After the concert Mr. Herbert and his orchestra leave New York for a long tour.

BERNARD G. AMEND.

Wellie Clark, harpist.

The festival has been organized by the Gaelic Society with the cooperation of the Friendly Sons of St. Patrick and the As the admission fee was to be about 40 cents it was not expected that any of the big singers from the Metropolitan would be engaged, but the talent would be fine.

FIGHT THEATRE CENSOR BILL. Committee on Regulating Picture Thee ment of Hearing.

Hollis E. Cooley, secretary, and Nathan

Burkan, acting general counsel of the

National Association of Theatrical Producing Managers, accompanied by Frank Henderson, manager of the Majestic Theatre and Academy of Music, Jersey City; Edward D. Miner of New York. William F. Midlig, Jersey City; James F. Butler, Newark; M. Mason, also of Newark, and Montgomery Moses of Trenton, yesterday appeared before the Committee on Municipal Corporations of the New Jersey Legislature to protest against the dramatic censorship bill introduced by Senator Harry Leavitt.

This bill authorizes a committee, to consist of the Mayor, chief of police and a citizen to be appointed by the Mayor William A. Brady has engaged Holbrook Blinn for the rôle of Seth Preene and Doris Keane for the rôle of Bess Marks in the revival of "The Lights o' London." George R. Sims's meloarama, at the Lyric early next month.

Grace George has cancelled her engagements for the rest of the week to permit her company to try out the stage of the Playhouse, which she will dedicate on Saturday afternoon and night with two

ELEVENTH AVENUE TRACKS.

Proposition Side With Tomkins. A public hearing was held yesterday in the City Hall by the committee appointed by the Poard of Estimate to suggest means by which the railroad tracks on Eleventh avenue of the New York Central Railroad may be done away with. The committee listened to the ideas of downtown business men and manufacturers on the proposal to remove the tracks below Thirtieth street by substituting literage terminals on the waterfront. Representatives of the Chamber of Commerce, the City Club, the Merchants and Manufacturers Association and other business organizations opposed the literage proposition. They said it would increase the cost of handling and moving

pling with the problem, and he asked that the further consideration of the subject should be left in abeyance until the Chamber of Commerce could sug-gest a plan for the solution of the di-ficulty. The committee, however, de-cided that it would renew the hearing next Wednesday.

Begun Eight Years Ago.

The suit against the Edward Thompson ompany of Northport, L. I., which was begun eight years ago in the United States District Court in Brooklyn by the West Publishing Company of St. Paul, Minn. for the infringement of some 9,000 of its copyrights, was settled yesterday, damages being adjusted by agreement. Among the works against which in-

fringements were alleged were the first and second editions of the American and English Encyclopedia of Law and the Encyclopedia of Pleatings and Practice. These, with the copyrights, stock and plates are conveyed to the plaintiff by the

politics in the school entertainments."
